

# MHMS PTO

January 2015

## In the News

The PTO would like to thank all parents that volunteered and donated for the Multi-Cultural Feast. It was an amazing event. The students were dressed to impress and devoured all the donated cookies and sweets. Pictures of the event will be in the 2014/2015 Yearbook.

## Go Green Committee, Update 2015

Creating a living laboratory for endless learning opportunities!

Our school garden is designed to celebrate the diversity of our community and to provide a rich hands-on learning opportunity about science, math, nutrition, ecology, social studies, language arts, plant biology, cultures and tradition and community service.

Students who plant and grow their own vegetables are more likely to eat them and are more open to trying new foods!

### Volunteer Opportunities

Saturday 2/07/15, 1pm - 4pm Garden Workday

We invite you to join in the fun and experience the joy of gardening!

Yolanda Maharaj

## Teacher Spotlight

Ms. Yolanda is delighted to teach one of the kindergarten classes at MHMS. She has been working with children since 2007. She went to college in Sacramento, CA and worked as a preschool teacher for 7 years. Ms. Yolanda grew up around teachers and finds her inspiration for teaching in her family, particularly in her daughter Mia. She has high expectations for all her students and works hard with each student and their families in order for that student to achieve the goals he/she set out to accomplish.
